Loss of imported base oil

*231. SHRI ANAND SHARMA:
SHRI PRAMOD MAHAJAN:

Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether it is a fact that 462 tonnes of imported base oil has been lost in transit from a consignment of 1100 tonnes ordered by M/s. Bharat Petroleum Corporation Limited (BPCL) in September, 1987; and

(b) if so, what are the details in this regard?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI BRAHM DUTT): (a) and (b) BPCL has reported short receipt of approximately 547 tonnes of imported base oil out of total quantity of 1477 tonnes stated to have been pumped by tanker "Nand Smriti" through their pipeline on 26-9-1987. The short receipt could be due to incorrect accounting at point of discharge/receiving installation or disposal of some quantities on the High Seas before arrival or during discharge at the Port apart from a possible leak in the pipeline. According to preliminary investigations, possibilities of a pipeline leak or incorrect accounting at receiving end have not been considered likely.

Further detailed investigations are underway along with other concerned organisations like Indian Oil Corporation and Bombay Port Trust to identify the reason for loss. BPCL has been asked to expedite the enquiry.
